Bukti telah menyelesaikan Exercises Selectors

The screenshot shows a web application interface for a CSS exercise. On the left, a sidebar lists exercises: "Exercise 1", "Exercise 2", "Exercise 3", and "Exercise 4" (which is selected and highlighted in green). Below the exercises, there are links for "Go to CSS Selectors Tutorial", "CSS How To...", "CSS Background", "CSS Border", and "CSS Margin". The main area displays the exercise details: "Exercise: Change the color of all <p> and <h1> elements, to 'red'. Group the selectors to minimize code." Below this, there is a "Hint" button. The code editor shows the following code:

```
<style>
h1, p {
  color: red;
}
</style>
</head>
<body>

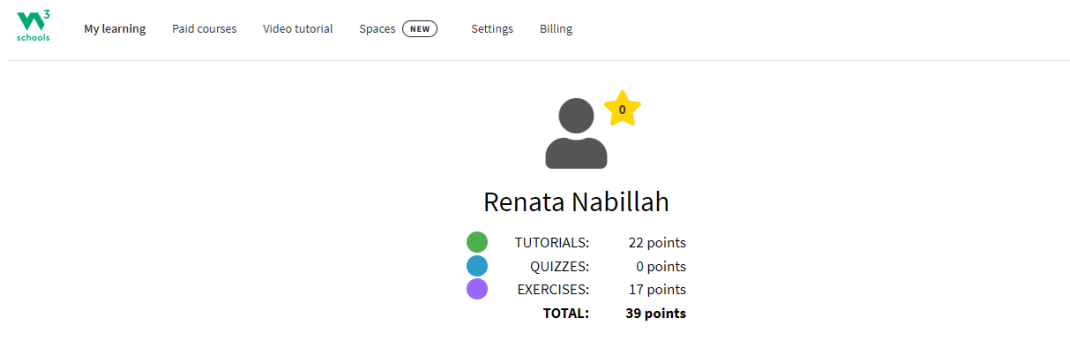

<h1>This is a heading</h1>
<h2>This is a smaller heading</h2>
<p>This is a paragraph.</p>
<p>This is another paragraph.</p>

</body>
</html>
```

On the right, the "Result" preview shows the rendered HTML with the following text: "This is a heading" (in red), "This is a smaller heading" (in black), "This is a paragraph." (in red), and "This is another paragraph." (in red). A "Correct!" message is displayed in a green box at the top right.
